

FOR IMMEDIATE RELEASE

Origins: Krien Jozeph & Merante Tamar present unique theatrical DJ sets, art performances and custom tailored events with a strong poetic signature, aiming to inspire & amaze, to liberate and put our shared Origins into perspective. Expect an authentic immersive experience.

Amsterdam, The Netherlands: 3rd October, 2018: Merante Tamar & Krien Jozeph, both from Amsterdam, the Netherlands, are two of a kind artists which have got together not only as a couple, but luckily for audiences around the world as a charismatic avant-garde duo, presenting unique theatrical DJ sets, art performances and custom tailored events with a strong poetic signature, aiming to inspire & amaze, to liberate and put our shared Origins into perspective. Expect an authentic immersive experience.

With a background and mutual interest in hermetic philosophy, psychology and the arts, Krien Jozeph & Merante Tamar invite the audience on a journey, exploring mythology, metaphysics and science through powerful combinations of music, costumed performance art, storytelling and poetry: the couple takes the audience on a quest in search of the miraculous.

Since 2000 Krien Jozeph has developed, produced and played at many different events. from Mysteryland to Meadows in the Mountains, Fusion to Boom and from Classical Music Raves to custom-tailored events for private and commercial clients,

while Merante Tamar, after being art director of Supperclub Amsterdam and winning a big Television Talent Show in 2010, performed from Dubai to New Delhi, Shanghai to Hong Kong, Cape Town to Tulum, L.A. to New York, and all the European capitals in between.

Next-up performance: Amsterdam Museum Night --- Magic Centre Amsterdam, 11pm till 2 am, November 3rd, Stedelijk Museum, Amsterdam,

Origins: Krien Jozeph & Merante Tamar have been invited by the Modern Art Museum 'Stedelijk Museum Amsterdam' to share their vision and develop an innovative, liberating and psychedelic conceptual experience for Museum Night 2018, in the context of the current exhibition in the museum on Amsterdam's notorious late 60's. Look forward to a visually exuberant performance and a mesmerizing musical journey.

Origins explores ancient creation myths of the places the couple visits around the planet. They rewrite stories to make forlorn prose and poetry comprehensive to a wider audience, and relate ancient metaphysics to cutting edge science to put our shared Origins into perspective. They take their crowd on a journey through mesmerizing electro-acoustic music, enticing performance art and compelling storytelling. Two not to be missed if you have the chance to catch them somewhere around the world.
